

**Northwest District Professional Interviews
PART TIME PASTORS**

All Part-time pastors will meet during your designated time. This will be a time of training and also you will have a limited time with the District Superintendent.

If your time does not work for you, YOU will be responsible for switching times and notifying the District Office. You must switch as we are limited on time.

ALL Annual Self Profiles are due online no later than 8:00 am, Monday, September 16. The form may be found on your People Dashboard on the District Website.
